SHIP SAFETY

ABOUT US

who we are?

GSS German Ship Safety GmbH has been established in year **2017** by a team specialized in marine industry over 20 years.

GSS German Ship Safety GmbH headquartered in Germany and offering services for shipowners and seafarers all over the world.

Being aware of our responsibility, we are happy to serve our customers in a serious and disciplined manner. All our services are carried out by our certified engineers.

OUR SERVICES

FIRE SAFETY SOLUTIONS

As GSS German Ship Safety, we provide refilling, hydrostatic pressure test, renewal, repair & maintenance and safety inspections for all types of fire extinguishers, installation & all kinds of service for fixed fire-fighting sytems and fire-fighting equipment.

LOAD TESTING

GSS German Ship Safety, offers waterbag load testing. Waterbags provide a flexible means for all forms of load testing or ballasting in lieu of traditional dead weights.

Using certified water bags and other methods, we are capable of executing load tests for all cranes and lifting appliances.

LIFEBOATS & DAVITS APPLIANCES

We perform annual inspections & five-yearly load tests for lifeboats, rescue boats, liferafts and their lifting appliances in accordance with the latest IMO & SOLAS regulations and all manufacturers whom we represent.

LIFERAFT SOLUTIONS

We are well equipped to provide service and maintenance to liferafts from four man to sixty-five man capacity, life jackets, yolks, dan buoys and jon buoys.

SAFETY EQUIPMENT SUPPLYING

GSS has 20+ years of experience in supplying of marine safety equipment including liferafts, life jackets, immersion suits, rescue boats, pyrotechnics, Canvas/Pvc covers and other various pieces of marine safety equipment.

CALIBRATION SERVICES

We supply calibration devices and their necessary equipment and offer services & calibration for measuring equipment on-board
